INTRODUCTION

Welcome to the Level One Workbook!

This workbook is part of a special program to help you learn from real-life experiences in travel, business, and networking. Our goal is to help you become a global citizen, seeing yourself as unique among 8 billion people and treating everyone equally.

We want to help you make a positive impact on 10 million people. This workbook will guide you in developing important skills and values.

In Level One, which is like the 5th grade in regular schools, you'll learn about new technologies like graphic design, ChatGPT, interviews, making videos, and using AI. You'll also do activities like talking with Annie, yoga, meditation, ethics, and watching TEDx talks.

This will help you learn how to use a laptop and have fun at the same time! You will learn about communication, teamwork, honesty, modesty, meditation, languages, networking, friendship, problem-solving, how to learn, and technology. These skills will help you achieve your life's mission and make a positive impact on the world.

Start each day with excitement and an open mind. This workbook will be your guide on this journey of learning and self-improvement. Let's begin this adventure together, one day at a time!

Best wishes,

Rehan Allahwala

SONG OR POEM

What:

The task is to create a Song or a Poem using the Suno.ai platform, generate the script or lyrics with ChatGPT, and then create visually appealing social media posts using Canva.

Why:

Creating and sharing a song or poem on social media can be a way to express devotion, share inspiration, and engage with your audience in a meaningful and artistic manner. Using AI tools and design platforms enhances the quality and appeal of your content.

How:**Step 1:**

Create song or poem with Suno.ai

Access Suno.ai:

Go to www.suno.ai.

Generate Song or Poem:

Use Suno.ai for voice generation.

Step 2:

Generate script or lyrics with ChatGPT

Open ChatGPT:

Access the ChatGPT platform.

Prompt for Lyrics:

Use the prompt "write a naat praising the Prophet Muhammad" or "write a poem on [desired theme]."

Refine the output: adjust the generated content to suit your style and preferences.

STORY POST

What:

The task is to create and share a short story about Mulla Nasruddin, accompanied by AI-generated images, on social media.

Why:

This activity can help engage your audience with entertaining and educational content, utilizing AI tools to enhance the visual appeal and storytelling. Mulla Nasruddin stories are often humorous and insightful, making them relatable and enjoyable for a wide range of people.

How:**Step 1:**

Write the Story

Open ChatGPT:

Access the ChatGPT platform.

Prompt for Story: "Write a short story about Mulla Nasruddin" to generate the story.

Step 2:

Generate Visuals

Access Meta AI:

Go to the Meta AI platform.

Generate Images:

Input the key scenes from the story into the Meta AI tool to create visuals. Describe the scenes in detail to ensure accurate and relevant images are produced.

Step 3:

Post on Social Media

Prepare the Content:

Combine the story and images. You can use a social media management tool for better formatting if needed.

Post on Accounts: Share the combined content on your social media accounts (Facebook, Twitter, Instagram, LinkedIn etc.).

Posting on Social Media:

1. Content Preparation: Combine the story and images into a cohesive post.
2. Social Media Share:
 - a. **Facebook**: Post the story with the images in a single post.
 - b. **Twitter**: Create a thread with the story and attach images to each tweet.
 - c. **Instagram**: Use carousel posts to share the story with images.
 - d. **Linked In**: Post the story with the images in a single post.

Story post No : 152

ایک دن، ایک چھوٹے سے گاؤں میں، ایک ننھی پری 🧚 نے اپنے جادوئی باغ 🌸 میں قدم رکھا۔ وہ باغ میں پھولوں 🌺 کو خوشبو دینے اور تتلیوں 🦋 کو رنگ بخشنے کا کام کرتی تھی۔

ایک دن، باغ میں ایک اداس چھوٹا بچہ 🧒 آیا، جس کا دل 📖 ٹوٹ گیا تھا کیونکہ اس کی پتنگ 🦋 ٹوٹ گئی تھی۔ پری نے بچے کو دیکھا اور اس کی مدد کرنے کا فیصلہ کیا۔

پری نے اپنی جادوئی چھڑی ✨ کو بلایا، اور ایک نئی رنگین پتنگ 🦋 بچے کے ہاتھ میں ظاہر ہوئی۔ بچہ خوشی سے چھلانگ لگا اور پری کو گلے لگا لیا۔

اس دن کے بعد، بچہ اور پری اچھے دوست بن گئے، اور باغ میں ہر روز نئے مہم جوئی کرتے 🌟۔ ان کی دوستی نے سب کو یہ سکھایا کہ محبت ❤️ اور خوشی 😊 ہمیشہ جادو سے بھی زیادہ طاقتور ہوتی ہے۔

CONCLUSION

The 25-day journey through this workbook has been designed to foster creativity, critical thinking, and practical skills among Rehan School students. By engaging in a variety of tasks, including interviews, TEDx reviews, Canva designs, and creative story and song writing, students have had the opportunity to explore diverse topics ranging from ethics and leadership to cultural heritage and technological innovation. Each day's activities have been carefully crafted to not only enhance academic knowledge but also to cultivate a deeper understanding of personal and social responsibility. The use of tools like CallAnnie and ChatGPT has enabled students to engage in meaningful conversations, develop digital literacy, and reflect on important global issues.

The incorporation of Mullah Nasruddin's tales added a unique cultural element, allowing students to connect with traditional wisdom while applying it to contemporary contexts. The creative freedom in song and poem writing further encouraged self-expression and a deeper appreciation of Pakistan's rich cultural tapestry.

As students complete this workbook, they should carry forward the lessons learned into their everyday lives. The goal has always been to empower each student to become a well-rounded individual, capable of critical thought, creativity, and ethical decision-making. By embracing these skills, students are better equipped to contribute positively to society, pursue their passions, and face the challenges of the future with confidence and resilience.

The journey doesn't end here. This workbook is a stepping stone in the lifelong process of learning and growth. Students are encouraged to continue exploring, questioning, and creating, using the skills and insights gained from this experience as a foundation for future success.

Unlock Your Potential with Rehan School's 25-Day Workbook

Embark on a transformative journey designed to spark creativity, critical thinking, and digital literacy. This workbook offers a diverse range of daily activities, from conducting interviews and analyzing TEDx talks to creating vibrant Canva posts and diving into the timeless wisdom of Mullah Nasruddin's tales.

Each task is crafted to challenge your mind and expand your horizons, blending traditional knowledge with modern technology. Whether you're exploring ethical dilemmas, learning about Pakistan's rich cultural heritage, or engaging in innovative conversations with AI tools, this workbook equips you with the skills to thrive in a rapidly changing world.

Perfect for young learners eager to explore, create, and grow, this workbook is your stepping stone to becoming a thoughtful, informed, and empowered individual. With each page, you'll build the foundation for lifelong learning and personal success.

Join the Rehan School community in making a difference, one day at a time.
